

SEPTEMBER 2007 Dr. DiMattina Finishes the Wine Glass Marathon to Support Lions Club

On September 30th, our own Dr. DiMattina ran the 26.2 mile Wineglass Marathon from Bath to Corning, New York. The marathon supports the Lions International Campaign Sightfirst II. Dr. DiMattina is a member of the Endicott Lions Club, and they raised \$1,000 due to his commitment and efforts. Campaign Sightfirst II is an international initiative to prevent blindness in poor countries by training staff, improving hygiene and sending doctors to care for the indigent populations there. Dr. DiMattina ran the marathon with his wife Pam and his father Joseph DiMattina.
