***We Are Moving!***

After twenty years in the same place we are happy to announce a move to a location with easier parking, more space, better facilities, and most of all the convenience and service you expect.

We will be located at 400 Plaza Drive in Vestal, which leaves us in our Vestal location while providing much easier access for those coming from Binghamton and the East. We will have a larger office and a brand new optical dispensary offering you a wider array of eyeglass choices. We will also be adding new technology to take better care of you and your family, and we will be expanding our hours to serve you.

The Vestal Parkway has become a "retail and big box" corridor with significant congestion and has become difficult for many of our senior citizens to navigate. We feel our new location in a suburban setting better reflects our style and mission of provide ongoing health care in a quiet environment.

Look forward to mailings and more information coming your way!
