Moving Update!

It's official...

After 20 years in this location we are excited to announce our move to a larger, more modern office at **400 Plaza Drive in Vestal** (across from Time Warner in the "Scotch and Sirloin" building). We will be open in our new location **effective November 3, 2008** and will offer:

- **A larger, more modern office**
- **New technology to help care for you and your family**
- **A larger optical boutique with a wide selection of fashion eye wear**
- **Easier access with less congestion and traffic**
- **Ample parking at our door**
- **Expanded hours for your convenience**
- **A free "Wi-Fi" zone for your use**

The Vestal Parkway has become a retail and "big box" corridor and does not reflect our mission to provide health care in an easily accessible and quiet environment. We look forward to a move that better reflects our mission and makes it easier for you to come see us. Stay tuned for more details!

Please note that most appointments for the remainder of 2008 are already booked. If you or your family will need an eye exam before the end of this year we urge you to book an appointment right away.
